FUTURE PLANS

When finish the university I would like work in the hospital , because I like help to the peoples. I be going to study the master´s degree, I would like buy a red car, and travel with my family around the world, I be going to know many places, I would like eat different dishes. I be going to buy to big house of color blue, because is my favorite color.

The next years I be going to go to the gym and I be going to drink water. I would like go to the party with my friends and my girlfriend, and I´m not going to slept late, because I wan to rest in my bed.

In the future I would like retired young, because I going to start a business
