I. Write about what you did last Christmas holidays (where did you go? What did you eat? Did you have fun?)

My last christmas holidays were great. I went to Puerto Arista and I had a wonderful time there. I swam every morning in the mornings, then I walked along the beach, enjoying all the beautiful views of the big hotels. This was my first time there, so I was really amazed with Acapulco's beauty. At night, I went to dance and had fun. I did lots of things, and I met very nice people, the only problem was that time flew off so fast, that when I noticed, my vacation was almost over, I had only one day left, so I did enjoy it at full. I took lots of pictures, I ate giant shrimp, drank a few beers, I was singing Christmas carols when night fell, the Christmas parties were being so much fun, so I had a wonderful vacation. That's all I can tell you about my last Christmas.
