In my summer vacations my family and I are going to San Cristobal to visit my grandmother and also we are going to rent a rest house with all my mom's family, we are going to be in that house for a weekend or all week, I like these vacations because I have a great time with my family especially with my cousins, before entering the house we are going to buy food and drink to not longer go out and enjoy our stay there and leaving there, we all return to our daily routine.

I'll do that on summer vacation.
