> por último, haz una pequeña redacción contando cuando y donde naciste, así como un evento importante que hayas pasado en tu vida...

My name is Yery Arlen Ramirez Roblero, I was born in May 31st, 2004 in Llano Grande, Siltepec, Chiapas.

- The most important events in my life were in my childhood and adolescence because I liked to participate every year in the Vacation Bible school, during my summer vacations.

I liked it a lot because I learned songs, values, Biblical stories and for a whole week we did physical, social, spiritual activities and each year is a different theme.

A year that I will always remember is when I was 15 years old, because it was a very productive year, very challenging for me in many ways.

First because I participated in an escort contest and we got third place.

Second, because I competed in an event of devices for didactic and technological use in the Planetarium, with innovation of the Nispero Jam, and I was obtained first place in presentation and in product quality.

Third, because it was the first time that I was preached in a youth campaign and in an event as well. We also went to do missionary work and I lived many beautiful experiences, it was a productive year in all senses.
