Tell me about the last movie you watched (what was the movie about? Did you like it?)

Three weeks ago my mom talked to me to go to the movies I love going to the movies my mom said let's go see the little mermaid and I really like that movie because it reminds me a lot when I was little I like the sea the movie is that when you want or want something there is nothing impossible it is about fighting to achieve your dreams or goals you want for very difficult that seems never to be afraid must always be brave The movie is about a little mermaid that she wanted to have legs because she had fallen in love with a human, but an evil witch wanted to hurt her which at one point succeeded, but she was able to fight to be happy.
