¿Qué planeas hacer cuando ya tengas un trabajo como enfermero/a?

continue studying more about my nursing career to help more people who need it to support as much as possible and also when helping people I am learning more and more and that helps me and my studies, my work It is about healing, caring and respecting because that is what I am learning and that is called being a nurse. That is why I will dedicate myself to my work and my studies because it is what I like to do, it is to take care of people who are ill to give them encouragement and take care of them. I also want to continue studying, go to another country and see places and have beautiful experiences with my family.
