

## **Description**

I live in the border of Coma Lapa Chiapas, the weather is cloudy and hot and beautiful, it has a 24-hour hospital, it has two universities, it has two kiosks and two parks, it has two high schools, and it has 10 pharmacies and only one is open 24 hours, it has two markets, it has a taxi stand and 6 bus sites, There are three gas stations, and there are two pizzerias, 4 primaries, and there is a presidency, and there are two banks to put money in or withdraw money and there are 6 positions for telephones or chargers, there is a saver store and also Coppel and in the center there are more stalls such as taquerias empanadas and quesadillas and cake stalls and we also find Chinese food and there are shoe stores there are like 13 stalls or more, and there are also clothing stalls, and there is a municipal policeman, Comalapa is not so beautiful because of so much corruption and many other things, but the weather is good, there is a vision cable, kindergarten only oh about 4 or more, but this is what there is a town not a city so there are many things so thank you ha-ha.
