

Mi Universidad

NOMBRE DEL ALUMNO: Liliana Tomas Morales

PARCIAL: 3

MATERIA: ingles

**NOMBRE DEL PROFESOR: Mtro. Mike Anderson Hernández
Ordoñez**

LICENCIATURA: Enfermería

CUATRIMESTRE: 4

My community is called Francisco I Madero, it has a slightly cold climate, around us there is a dome where events and meetings of the same community are held, the court to play basketball and a field to play soccer, there is the clinic where people They go to consultations and ask for medicine, there are the rivers, there are animals such as dogs, cats, chickens, horses, cows, as well as there are churches of different religions, there are some stores where there is a variety of things, a pastry shop, and there are also people They have businesses where they sell a variety of snacks, such as hamburgers, tacos, hotdogs, empanadas, quesadillas, etc., ranches where people have their livestock, there are beautiful flowers, there is a tower that does not work, there are cars and motorcycles that travel daily, too. There are people's coffee plantations where they are planting coffee bushes, avocados as well as fruit trees, there are schools as well as kindergarten, primary and secondary school, we also have a community dining room and likewise the municipal agency.
