

UNIVERSIDAD UDS

Carrera: Lic. En enfermería

Materia: ingles I

Maestro: Mike Anderson Hernández Ordoñez

Alumna: Daniela Guadalupe López Muñoz

I am a neighborhood called malpaso, municipality of siltepec, here in my neighborhood it is a very beautiful place because it has many varieties of trees and we have a beautiful river, and we also have two caves, one is a water cave where the inhabitants there draw water for their house activities and the other is where we can go hear the beautiful Little birds shouting.
