GUADALUPE GRIJALVA

Hello my name is rita Julieta velazquez vazquez. I live in a colony that was located 40 minutes from frontera Comalapa. My colony is called GUADALPE GRIJALVA, is small but beautiful, it has a soccer field and a basketball, there is aslo river and small lagoon called NACHA and has primary school, preschool secondary school for children and Young people.

There is a butcher shop they sell very good and fresh meat and two pastry shops there is michoacana store and drugstore and four church there is a motorcycle taxi service, on Thursday and Friday they sell vegetables in front of the ejidal pólice station there is aslo a municipal agency and ejidal commissioner and ejidal pantheon it has two hair salons and three aesthetics. There is taquería selling delicious tacos, burritos and hamburgers it aslo has mechanical workshop in sumamary, my neighborhood is a beautiful place with very good, friendly people, people who are dedicated to the countryside and livestock, each one has a small and warm service to offer, despite everything that is being experienced it is moving forward

The climate is hot. Mango, tamarind, corn,beans, peanuts among other things are harvested

The sunsets in the countryside are very beautiful and peaceful
