Act 2. personal description (Halloween - día de muertos).

Isabella Marie Swan Cullen.

My name is Isabella Marie Swan Cullen. Know as Bella, I was born on September 13, 1987, in Washington. My mother is Renée Dwyer and my father is Charlie Swan and my husband is Edward Cullen and my daughter's name is Renesmee Cullen.

I am half vampire and half human turned at age 18 by Edward Cullen.

I have a height of 1.65 my hair color is dark brown, my skin is pale, and my eyes are black, but sometimes they are reddish.

I have basic vampire abilities, exceptional self-control and mental shielding.

At 17 years old I transferred to Forks High School in Washington to live with my father Charlie, where I met and fell in love with a nice vampire, Edward Cullen. On August 13, 2006 I married Edward and as a matter of survival I transformed into a vampire, he was the one who turned me into a vampire. I was about to die giving birth to my daughter.

My phrase is: My time as a human was over, but I have never felt more alive, I was born to be a vampire.
