- GHOSTFACE.

Hello mi name is Ghostface I was born on may nine one thousand nine hundred seventy in Island, New York. mi name means Ghost Face I'm going to play a role of villain. I am an excellent author performances and roles in television series as a murderer my first appearance on television it was in the movie Scream where I interpret the paper of murdered and I was called as the best villain in history.

one of my skills is to have extreme durability against physical harm, high levels of physical strength, I am able to appear and disappear in seemingly impossible situations seemingly impossible. my weaknesses are that I do something clumsy before catching my victims I hit the wall and I bump into objects.
