Personal description.

Billy (saw).

Hello my name is Billy, I am a ventriloquist doll with animatronic modifications. I am one meter tall, I have a white clay face with red lines, a white shirt and I have a red tricycle. My main objective is to deliver the messages recorded on Jigsaw cassette to my victims. I am used by the main character of the story, John Kramer, the Jigsaw Killer, to communicate with victims. My name is recognized by writers, documentary crews and interviews. My name was given to me by my creator, James Wan.
