Sanderson

Hello and good morning everyone, My name is Daniela Hzel López Rendón, I'm seventeen years old. I am from ocosingo. Today I come to present my halloween character, the witch Mary Sanderson.

My friends and me appear on the thirty-first of October at eleven and ~~twelve~~ at night with satanic and witchcraft powers, we share spells. I am a witch of the Disney villains with my sisters, we lived in a cabin, I was looking for children to please my sister Winifred Sanderson.

I have my hair long, black and straight, my hair is dark like my hat. My skin is brown like the cinnamon we use in our spells. My eyes are very small like the will of faith we have. My nails are black, long and very ugly.

Today I come in a black dress and shoes with my broom and pumpkin representing me. My height is medium and the most characteristic thing about me are the warst I have on my face.

I like to eat scorpion cakes, I didn't like the light I had powers to fly with my broom and make potions.

Thank you for coming.
