Hello my name is Ghotface I was born on May nine, one thousand nine hundred seventy in Island, New York.

My name means Ghot's face I'm going to play a role of villain, I am an excellent author, performer and roles in television series as a murderer. My first appearance on television it was in the movie Scream where I interpreted the paper of Murder and I was called as the best villain in history.

One of my skills is to have extreme durability against physical harm, high levels of physical strength, I am able to appear and disappear in seemingly impossible situations seemingly impossible. My weaknesses are that I do something clumsy before catching my victims I hit the wall and I bump into objects.
