Cuatrimestre: I

it's nice to meet you:

Hello, I introduce myself my name is Faviola vianey Martínez Reyes I am 19 years old, I was born on January 2, 2004, I have Mexican nationality and I am proudly Pichucalqueña currently I live in Pichucalco Chiapas I was born in Villahermosa, Tabasco at the Juan Graham Casasos Hospital at 11:00 a.m., my parents, Mr. Oscar Martínez Villarreal and Mrs. Eva Reyes Hernández, the beings I love the most; I was fortunate to have two brothers: Marlon Esteban Martinez Reyes and Jared Alejandro Martinez Reyes I had the most beautiful childhood thanks to my parents; I entered preschool at the age of 4 and studied at La Leona Vicario And I didn't have any friends, they were like two little friends, my most beautiful memory was when my mom brought me my empanaditas and my juice I went to elementary school which I studied at the Joaquín Miguel Gutiérrez school, it was the best 6 years of my life, I also studied high school at the Carlos A. Vidal School for 3 years For me, high school was not pretty, it was a real terror, I studied high school at the Colegio de Bachilleres campus 231 Pichucalco, Chiapas When I entered the first semester it was nice, I loved spending time with my friends, I liked to pay attention and get pure nine and ten High school was the best, I loved my friends so much, my tastes especially are the food, I love mole and pozole, Mexican foods, I love barbecue, I love the food that my aunts and my mom make In music I listen to everything, my favorite singer is The Weeknd and I love Siddartha, I like to travel, I love nature and dates in cafes are the most romantic I have ever dreamed of that one day they will ask me to be their girlfriend in one; I love romantic movies especially a midnight love, my favorite book is the story of Anne Frank I like to go for a run in the mornings and go to the mountains, I love the sea, I love the sunset, I hope one day they will love me in the same way I love sunsets; I love flowers, I'm the happiest to have one in my hands

I have three pets, they are my whole life, they are called Patricio, Masha and Loki, they are my emotional stability, without them I am nothing; I have my favorite people

who are my whole life, my grandfather, my parents, my siblings and my pets I have a boyfriend who is my whole life I love him and I would give my whole life for him I met him many years ago he has become so important to you Since I was a little girl I dreamed of being a doctor, I wanted to study to be a surgeon, many things came up and I decided to give myself a year because I wanted to take exams again in universities, so many changes happened in my life I spent months thinking about whether to study nursing until I finally entered and decided on nursing since it is a branch of medicine; I love this career even though it seems difficult but I know that the effort my parents are making will be worth it I spent months thinking about whether to study nursing until I finally entered and decided on nursing since it is a branch of medicine; I love this career even though it seems difficult but I know that the effort my parents are making will be worth it.
