Good morning, it's a pleasure to introduce myself, my name is María Criselda Pérez Méndez, I am thirty-seven years old I am of Mexican nationality. I currently live in the camoapita ranchería, first section, san Isidro, municipality of pichucalco, Chiapas. I was born in the ranchería of camoapita, first section with a midwife named Lolita Pérez Asencio on November 8, 1986 at nine o'clock in the morning.

My parents are: Cruz Pérez Hernández y Gloria Méndez Cruz

I studied my Preschool at the Benito Juárez school located in camoapita, first section.

I attended primary school at the fourteenth september federal school, it was a large school with one hundred students. I liked going to school a lot. I attended secondary school at Telesecundaria number five hundred Emilio Rabastelli, located in the community of camoapita first section, I studied high school fourteenth of september school in the afternoon in the municipality of pichucalco, Chiapas. When I started high school I wanted to study educational sciences, I left school at the age

From my marriage, my first daughter Jenny Jazmín Cruz Pérez was born on August 7, 2007 at eight fifty-nine in the morning at the general hospital in Pichucalco, Chiapas, very happy and grateful to God, then my second son was born but he passed away. Due to complications in the operating room, I waited four years to have my third daughter named Karol Valery Cruz Pérez who was born on June 16, 2016.

Grateful and happy because God gave me a beautiful family, I have worked in the office with Conafe for eight consecutive years and today I have the opportunity to study a career in which I chose psychology. At the University of UD I would like to specialize in educational or clinical psychology. I like this career because I would like this career because I would like to know more about human behavior and how to help people who suffer from trauma.
