Cuatrimestre: 1er

IT'S NICE TO MEET YOU

My name is Dulce María Rodríguez Domínguez, I am 18 years old, I am of Mexican nationality, I live with my family in Ixtacomitan, Chiapas.

I was born on July 18, 2005 in Ixtacomitan Chiapas, my parents are named Monico Arnulfo Rodriguez Domínguez and Yuri del Carmen Domínguez Ávila, I have two brothers Adán Santiago Rodríguez Domínguez and José Daniel Domínguez Ávila.

Study in a kinder called "Garden of Boys and girls Ignacio Zaragoza" in Ixtacomitan. My First year of primary I studied it at the primary school "bilingüe Ignacio Zaragoza", At the end of my first grade they changed me to "primary school of the state Dr. Belisario Dominguez Palencia".

After finishing my primary school I studied in high school "Querido A. Moheno Tabares" during three years.

Upon finishing high school After finishing secondary school, I entered "Cobach Plantel 56" of ixtacomitan.

What I like to do the most is dance folklore and play soccer.

My favorite food is sweet mole.

I really like folk songs, rancheras and huapangueras.

My favorite movie is called "From My Heaven"

The book I like the most so far is called 'A Two Meters from You'

I liked the psychology degree because it is a career with which you can help people, whether they are children, adolescents or adults.

It is also a beautiful career since it allows you to know and learn many things about people's behavior.

In the same way that you learn the different ways to help anyone who needs it depending on their problem.

I chose this career because I like to listen, give advice and help people.
