enfermería.**

Cuatrimestre: 1ª cuatrimestre.

It's nice to meet you

Hello. My name is Marvin Alejandro Palomeque Cornelio. I am twenty years old. I am of Mexican nationality, I live in a community called Puyacatengo, Tacotalpa, Tabasco. I was born on October 8th, two thousand and two, in the regional hospital of Teapa, Tabasco.

My parents are called Moises Palomeque Muñoz and Matilde Cornelio Cornelio. They have currently been married for thirty-two years. I have two brothers, Moises and Manuel are both older than me. My studies began at the Jose Morgas García school, where I studied preschool and primary school, the secondary school I studied at the Adelor D'Sala graduate school. Later, the high school studied it at the high school of Tabasco campus nine.

Of my musical tastes the favorite is the Mexican regional, Alfredivito Olivares being my favorite artist, my favorite food is the potato salad with carrot and chicken, of the movies I am a fan of the saga of fast and furious, in the field of literature I do not have a special book but the one I liked the most is the grey anatomy. I have two favorite sports baseball and charrería, I practice both sports and I do it with a lot of love.

I have 3 dogs and a horse as pets. Only the best that life could give me.

I chose the nursing career, because I have always thought that my life will serve to save others, from a very young age I have liked the field of health, I was a juvenile in red cross and studied paramedic in the state emergency system of Tabasco. This inspired me to study a bachelor's degree in nursing.

I hope to make a difference wherever I am.

Thank you for your attention.
