*it's nice to meet you*

*I know, my name is Dulce Maria Juarez Mendez, I am 18 years old, I live a better life, two of which I have, I was born in Pichucalco, Chlapas in 2005, the first 5 years I lived in my grandparents' house, my parents are called Julio Cesa Juarez Jimenez and Antonia Mendez Mendez I have 2 brothers and a brother, but to be honest I love my besmeno more than my brothers..*

*I forgot kindergarten in the Josefing Boys and Girls Garden, we were going to the Rio, I still remember that the first day I cried because I didn't want to stay there.*

*Foot to course on Casics A Vidal primary school were the best years. of my life.*

*I studied it in high school "Cobs A Vidal, I made good friends, I liked participating in soccer games, in high school I loved my first boyfriend with the cool guy for three years.*

*the high school To cuase on September 14 the first comes and to take classes in linca since there was the poridemia of could 19, the second year of prefer Ya fucion in person in which I conceive! With some of my classmates I started to make good friendships, sometimes coming up from high school we would ask permission from our parents to do homework as a team but as a sign we would go, take it, then move on to the 5th grade, each one would say that I chose a disgusting one, we would leave. Separacs, I chose, the area. of human sciences where on the first day he did not speak to anyone as they suggested. Days I got to*

*know my friends, so I made special friends with some of the people who made me feel very good, and finally the last year was the best time in my life.*

*My taste in music varies because I listen to a little bit of everything and god it's the same. depending on whether the musical catches my attention.*

*The food is a special treat for me since I like to eat everything, I like to play soccer, in fact I'm on a team where I get to play every Sunday.*

*I have 2 pet dogs and cats and an unfag bird.*

*I chose carreTOL FOT that since I was in high school I was called the clencio that and that I would also like to know more about the human body.*
