hello my name is fanni castellano hernnandez, I am eighteen years old, I am originally from Chiapas, I live in plan de ayala municipality of ostuacan chiapas, normally I was not born in a hospital I was born in my house with midwife, the tenth of August of the two thousand and five.

my parents are Marco Antonio Castellano Ramirez and my mother is called Efanía Hernández Luna

I have two brothers the eldest is called Marco Antonio Castellano Hernández he is twenty-three years old and my younger brother is called Ivan Castellano Hernández He is fifteen years old

I there where I live is called Conafe, the primary also studied there is called Miguel German Valdez, the secondary studied in a community called Peñitas and is called Gustavo Adolfo Becquer, and the high school I studied in Plan de Ayala and is called Telebachillerato num 52 November 20,

my favorite food is Polish meat or also either the red spagety, my favorite music are the reggaeton or also the romantic, my favorite movies are the romantic, my books They are the romance too, and more than anything what I like to do is play soccer

I have two pets are dogs unoo is called daku and my dog is called luna

I chose the nursing career because I like it a lot since I was a child always eh dreamed of being a great nurse and thanks to my parents and God I am achieving what I want to be, also pq in the future I want to be the one who takes care of my parents, also because eh dreamed or want to help many sick people, ah elderly who do not haveA family member who supports them or who takes care of them and leaves them there alone, also in taking care of babies, one of the things why I choose this career is because I like to help or take care of people and my thought is someday to be able to achieve it.
