WENDSDAY

- I start my day when I wake up, It is at 6 and a half am, I take a shower and have some breakfast. I go to my school by bus so I have to wait on the bus stop, I see a lot of students and workers going to their activities. When I get to the school, I talk with my friends and I have my classes. When I go out of the school I go with my friends to a different place each Wednesday, we go to the mall, to the main square, to the pool, etc. I really enjoy spending time with my friends. We eat something together and we laugh a lot. When it is late, I go home and then I have a call with my parents, I talk with my mom, dad and grandfather. Do you talk with your parents? I use to do it frequently and I love it. And that's how my day is.
