

## My personal information

Hello, my name is Karla Fernanda Díaz Mazariegos, I am 19 years old, I am from Cuauhtémoc, municipality of the Comalapa Chiapas border, I am currently living in Comitán de Domínguez, along with my parents and siblings, my mother's name is Liliana Arleni, I have two brothers named Jhonatan and Juan, also two sisters, I have two pets, a dog named Ismael and a kitten named Aitana, I am studying at your university, in the career of veterinary medicine and zooctenia, I am in the first semester, The reason why among was because I love animals a lot. In the future I would like to have the specialty of small breeds and be able to have a shelter, so I can give the animals a better life. In my free time I like to study anatomy and English since they are my favorite subjects. I like to listen to songs from Kenya, travel, the color white and spend time with my boyfriend, his name is Gabriel Panti, he studies at Salazar University in gastronomy.
