

hello, my name is Jimena I am 17 years old, I turn 31 October; I was born in Tapachula Chiapas, and I currently live in Comitán de Domínguez.

I moved to Comitán when I was six months old, I studied kindergarten until third grade, then I moved to Tapachula where I studied fourth grade until second grade, then I moved back to Comitán where I studied third grade of middle and high school, I am currently studying university at UDS in the career of veterinary medicine and zootechnics.

I have four brothers, the oldest is called Alfredo and is 28 years old, the second is called Andrés and is 23 years old, the middle one is called Jade is 22 years old and the last one is called Jorge is 16 years old. My mom's name is Jenny and my dad's is Jorge, both are teachers; My mom is a kindergarten teacher and my dad is an elementary physical education teacher. I also have two dogs, one is of Maltese breed is called Nigga and the other is of Chihuahua breed is called Panther, I have eight kittens whose male name is Pantro and the female is Cheetara, the other six kittens still have no name. I love animals, my favorite animal is the panda; My favorite heats are black and white, I really like opaque colors. I would like to live in a small town that is next to Spain; In the future I plan to visit several small villages around the world, as I like to know about their culture and traditions. I like the villages more than the cities.
