

Hola

I INTRODUCE MYSELF

My name is Lorena Mayrani Hernandez Rodriguez; I am from Flor de Mayo, municipality of La Trinitaria, Chiapas, in July of this year I graduated from high school campus 79 Juan Sabines Gutierrez, in my plans I was already continuing studying university and one of the closest to my people is Comitan, so I had to leave my town to come here to study. I decided to study veterinary medicine because it is something I always wanted, because I really like animals and in the future I would like to have a ranch, my own house and a truck. I am currently 18 years old. old, my date of birth was February 12, 2005.

My family is made up of six people (mom, dad, two sisters, a brother and me), I have two dogs, one named Snoopy and the other called Rex, and I have a kitten called gray, my favorite type of cat. music are the runs, especially those by Jenny Rivera, my idol, the food I like the most are enchiladas.
