## MY BLOG

### ME PRESENTO

My name is Iván de Jesús Moreno López. I'm from San Jose Yocnajib Comitán de Domínguez. I'm studying veterinary medicine and zootecnics at the University of the Southeast and I hope to finish my degree to be able to fulfill my dream.

which has always been to have a ranch, my biggest reason for studying the career is my grandparents since they are dedicated to the trade, one of cattle and the other of pigs.

My dad's name is José Fidel Moreno Gómez, he is a farmer and supplier of construction materials, my mom's name is María Ángela López López, they are originally from Comitán de Domínguez.

I really like to dance ranchera music plus huapango and I listen to the music of Alfredo Olivaz, Julion Alvarez among others.
