my activities with my family from day to day, in the morning I get up around 6am, I help my mother make breakfast, we hang out for a while with my father and sisters, when we have breakfast we like to make jokes with each other and we bother my mother, These days I tell you the things I would like to do during the Christmas holidays. I would like us to spend Christmas dinner together with my grandparents, uncles and nephew because the family hasn't gotten together for a while.
