## MY DAY

Saturday is my most productive day.

I get up at 10 in the morning, I wash my face and brush, I go down to have breakfast, my dad doesn't work so we have breakfast together.

When I finish, I look at my phone for a while and play some games, sometimes with my cousin or sometimes alone, I also play with my dog for a while or take her for a walk. When I'm done I go take a bath. When I get out of the shower, I put on my makeup, I change my clothes, normally every Saturday I go visit my uncles and my dad takes me with them.
