My name is Angel, I live in CHICOMUSELO, with my family, Sunday is family day. We start by waking up, my mom Gaby makes breakfast for my dad, my brother and me. Afterwards I wash the dirty dishes and my brother sweeps the house and my dad does his earrings. My dad, my brother and I are going to play in the field, then we stop by my mom to go eat at a restaurant. In the afternoon my brother goes to music classes, I stay at home to do homework, my son watches football on TV and my mom talks with her friend, later she prepares dinner, we meet to have pizza and finally we watch TV for a while and we all go to sleep, so that the next day my dad goes to work, my brother to school and my mom stays at home. and this is how we spend Sunday as a family, sometimes we also go to the pool with my grandparents. And cousin it is very fun to be with them. this is my Sundays
