Hi everyone! welcome to my blog, in this post I will talk about myself. My name is Sebastian Urbina I am twenty years old. I am from San Cristobal but right now I live in comitan because I am studying veterinary in the UDS. I love this carrer because i spend a lot of time with my pets and also I find medicine really interesting, i know it's a difficult carrer but i'll try my best to finally graduate.

I live with my sister, aunt an cousin and i'm so happy spending time with them. My sister is nineteen years old, her name is Azul, she is studying veterinary as well, and we are in the same classroom wich is very funny and helpful, she sits next to me. My aunt's name is Ana Maria, she is 52 years old, she is a housewife and she treat us as her children. My cousin is Annel, she is 24 years old She is very funny and really kind with us.

I love plating videogames, card games, read and listen to music. bands such as Men I Trust, led zeppelin, the beatles and funkadelic are my favorites, i just can't stop playing their music.
