Daily Routine

In the mornings I get up early to milk my dad's cows·
Sometimes he, my sister and my nephew help me· Then I have
to shower and put on clean clothes to go to university· When I
come back I do my homework on the days I don't go to
university· I check that everything is fine in the sorghum and
corn crops· Some Saturdays I play some sports and on Sundays
I ride horses· I like to be on the ranch to check that the cows
are okay, that they have clean water to drink, and to clean the
pens·
