**Hello good morning I am renato Villalobos robledo student of the university of the southeast I entered this beautiful and beautiful school 2 years ago in high school, thanks to a soccer team because it all started one day in Tapachula Chiapas that by the way I am from there, a group of professional soccer teachers arrived and they made some visions but at that time they called me to go to the field that is pass the first test I came back the other day they asked me my name from where I am etc... they summoned me to come here in Chiapas Do other tests with the professional team and unfortunately I came injured they didn't accept me and 4 months later I came to do tests they told me that I had 6 months to prove myself and I pass the time, they accepted me in the team I came to know the university with my parents because at that time I was 16 years old and I'm younger now I'm 17 and I'm from December 12 guadalupano hahaha so they had to sign my contract they pulled with the rector dad and they accepted me, between high school I met new things my life plan is different I get up every day 5 in the morning I train 3 hours soccer I enter 8 30 to school I have 8 hours of classes then I'm going to change I go to the gym there omo with my girlfriend's family from there I do homework or more exercise I sleep 10 30 every day to be able to rest well, my parents are from Mexico and Belisario dominguez I have 2 big and younger brothers the big one lives in San Cris the boy with my parents the boy does box and the big one studies right so my life is like this I'm already adapted my teacher loves me A lot and I'm fine because I'll pass the exams that I think and already 17 years I play fut and my whole life is dedicated to my grandfather that I miss him ahhhh also i canelo puppy who passed away 1 month ago and that's already my half-important life thank you beautiful tomorrow that God supports them**

**Always to everyone**
