Every day I get up early to go to school, but on Fridays, Saturdays and Sundays I work. In the mornings they bring me to school, every day I have to wear a uniform, when I leave class I always go to my boyfriend's house and we eat and do our homework. In the afternoons we prepare desserts to sell at school, in the evenings I have dinner, take a bath and look at my phone. On the weekends I work very late and my boyfriend comes to see me and we go out to buy food and watch movies.
