

PERSONAL INFORMATION

Hello, it's a pleasure to meet you. . I'll tell you a little about myself so you can get to know me better. My name is Lizbeth my last name is moreno salazar I have two brothers they are fun They always play with their friends near the house I am from the daisies, it is a very quiet city to live in One of the things that I like is Being close to nature and also being among animals such as: Horse Dogs The bees are very cute Ducks I think all of us have seen ducks at some point Someday I like to be a good veterinarian so I can help animals. Now I am studying veterinary medicine near my city and every day I have to get up very early between 4 and 5 Next to my bed I have a clock that wakes me up in the morning I am a happy person and I like to get along with everyone and every day I am happy to meet new people like you.
