MY NAME IS: ALEJANDRO JAIME LOYA

From Monday to Thursday I get up early to go to university, before leaving I drink some juice and then I pick up my girlfriend at her house so we can go together and at the university we have breakfast together, when we leave the university we go to my house so I can of water and food to my roosters and then we go to their house to give food to our pets, which are a pig and some rabbits. Then we do homework and study together, after finishing all that we make desserts to sell at school, on Fridays. and on the weekends I take care of my roosters and I help my grandfather with some things and at night I go see my girlfriend and her family.
