Trip to the heart of the Mayan world

“Let’s talk about Tikal”

Tikal is the most important reserve in the country of Guatemala, and has become one of the most emblematic cultural and architectural symbols of the Mayan culture.

But...

What do we find in Tikal?

Tikal is a group of temples in the shape of a pyramid. There are six temples: Temple “Gran Jaguar”, “De las Mascaras”, “Gran Sacerdote”, “Serpiente Bicéfala”, “El Quinto” and the temple “De las Inscripciones”.

Tikal also has a variety of fauna such as the howler monkey, the jaguar, the ocellated turkey and many more.

Where is Tikal?

Tikal is located in the Flores region, in the Peten department. This constitutes the most extensive pre-Hispanic settlement in Guatemala.

What is the best time to travel to tikal?

The best time to visit Tikal is from December to April, because the weather is sunnier and drier.

Why should you visit Tikal?

Tikal is a good option for a vacation because is one of the best ancient ruins to visit in Central America and possibly the world! Visited by many famous people.

And if you are Star Wars movie fan, you will be able to recognize the place where one of the most famous scenes was filmed.

A change of scenery can do wonders for the soul.
