# This is me.

My name is Briana, i'm seventeen years old. I am from Comitán and i lived in Comalapa, when i was three years old i moved there and at the age sixteen year old i returned to Comitán. I'm student, i study in the university UDS in 1<sup>a</sup> grade. My favorite subject is introduction to the Psychology.

I live with my mom and my brother, most part of my time i take care to my niece.

I love listen to music for almost everything that's why i learned play guitar, ukelele and soso bass. I don't have favorite band, but i prefere listen to music in English.
