My family and I live in the Comitan. We has an house. My father works and jurisdicción sanitaria. My mom is a housewife. My sister is fourteen years old, she studies in high school, she is taller than me, we get along very well. On Sundays we usually have breakfast together, we watch a movie, in the afternoons they accompany me to my game and watch me play, when we finish we buy the things that we will use all week, and things to take to school, returning home we have dinner together, we talk a little and we said goodbye to sleep
