My name is Amaranta  
I'm eighteen years old  
I'm from Carranza, I study  
University, I have three  
brothers, in my free  
time I help my parents,  
I am with my entire  
family, we cook together  
we all ride horses, we  
love plants and the  
countryside, I also  
cycle, I had first place

two years, my favorite class, my favorite  
color is red, next year I want to travel  
to the beach with my friends, I love  
going on trips and seeing new places I  
also live with some guys because of

to be far from home, in my free time  
I take care of my two cousins, they
