Actividad 2: Escribe un texto en presente simple que describe tu rutina diaria.

On Sunday I get up at 7:35 in the morning, at 7:45 I bathe and do my business, I have a light breakfast and then I brush my teeth to leave my house and go to work. I take my van to go to work.

From nine in the morning to three in the afternoon I work, at three after three I take the bus to return home. I do my housework and then take a second shower. I drink coffee or have some quesadillas for dinner and at 9:00 pm I read the Bible for a while and finally I fall asleep around 9:35 at night.
