My mom's name is Betty, she is a housewife, she also sells products through a catalog.

My dad's name is also David and he is forty-nine years old and works at a transportation terminal.

I study at university, I work as a nail technician in my free time, I also listen to a lot of music, I don't watch tv, I don't leave the house much, I don't go to parties either, I don't drink alcoholic beverages, and I like to spend time alone, I haven't had a boyfriend since high school.
