MY DAILY ROUTINE

My family and I live in Comitan de Domínguez. My parents name are Tere and Félix I go to university from Monday to Thursday. I like Sundays because I spend most of the day with my family and I don't have brothers.

One of the days of the entire week that I like the most are Saturdays, because we cook I go to my parents' store we are more together, eating, sell and have fun. We returned to my house around eleven at night by taxi, a little tired we had some dinner and went to sleep.

My family is very big, they always support me, I get along very well with my cousins.
