SATURDAY

On Saturday, I hate getting up so early. I get up late, I prepare breakfast, then I play video games for a while, I like to have a snack with my brother Lenin, my other brother Jorge, my dad who was called Jorge and my mother Berta, then I take a bath and a little break, then I go to bed and watch a movie, then I rest to go to university, my brothers also play video games, Jorge loves coffee, Lenin has two dogs.

My friends and I sometimes have parties on Saturday evenings. I like meeting new people.
I'm interested in art.
