France, in Western Europe, encompasses medieval cities, Alpine villages and Mediterranean beaches. Paris, its capital, is famous for its haute couture brands, classical art museums such as the Louvre, and monuments such as the Eiffel Tower. The country is also recognized for its wines and sophisticated cuisine.

IS IT COLD THERE?

Yes, it is, but don't worry, there are many stores selling warm clothing for winter.

MEET ONE OF THE MOST BEAUTIFUL WOMEN IN THE WORLD

Scarlett Johansson currently lives in Paris, France and it is very common to see her walking around France, don't miss the opportunity to meet her
