I'll tell you about my week...

My days from Monday to Thursday I normally go to the university and I am in my classes depending on which teacher I have and from there we go out to have breakfast with my classmates and from there we return to classes again and after classes, the departure arrives and There I go to my house, I arrive and usually we eat together and then I go up to take a shower and then I watch a series and then I come down and dinner is ready and we have dinner and everything is very good then I go up and prepare things for the next day , On Friday I regularly visit my grandmother in the morning, stopping by to see her and then I get home, I do an activity and then we eat as a family and in the afternoon I see my boyfriend and On Saturdays I get up and take a bath and it depends on what I have to do that day I do it and on Sunday we regularly go out to eat at an uncle's ranch and have dinner there with my dad's entire family and that's my whole week
