COUNTRY OR CITY =

PARIS, FRANCIA.

In the north of France is Paris, one of the most important cities in the history of the French country and all of Europe.

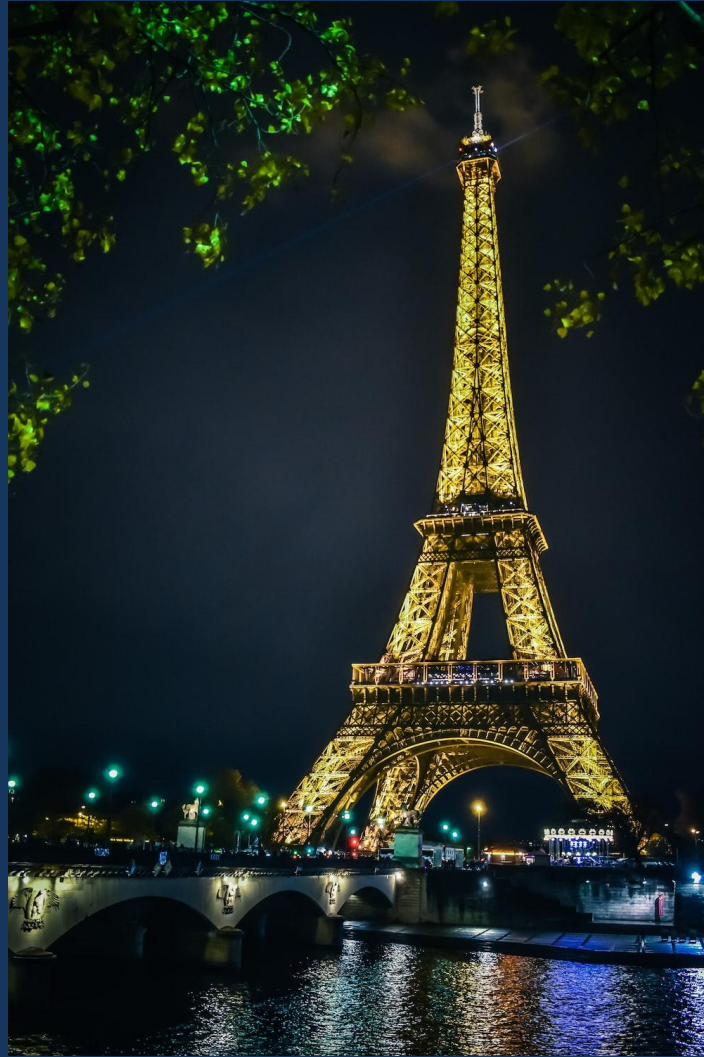

Paris is the capital of France and is one of the most important and influential cities in the world. From a tourist point of view, Paris is one of the most visited cities in Europe.

Why visit Paris?

Paris is a city that seems designed for the enjoyment of the traveler. Its streets, squares, buildings, gardens and monuments seem designed to make anyone who visits Paris want to return.

Visiting the Eiffel Tower, the Arc de Triomphe or the Notre Dame Cathedral, attending a cabaret show at the legendary Moulin Rouge, or walking through some of the most picturesque neighborhoods of the city such as Montmartre or Montparnasse, are some of the experiences that everyone should have the opportunity to enjoy.

The Eiffel Tower is the symbol of Paris, it was built for the Paris Universal Exposition of 1889 and is currently the most visited monument in the world. The Notre Dame Cathedral in Paris is one of the oldest Gothic cathedrals in the world. Climb its towers and enjoy its views.
