## HOMES

### House on the River

A house built on a rock on the Drina River is seen near the western Serbian town of Bajina Basta, about 160 km (99 miles) from Belgrade, on May 22, 2013. The house was built in 1968 by a group of young men who decided that the rock on the river was an ideal place for a tiny shelter, according to the house's co-owner, who was among those involved in its construction

### Airplane House

An airplane house in the village of Miziara, Lebanon, on May 12, 2015. Miziara prides itself on building residential homes that resemble ancient Greek temples and Egyptian ruins, or this one, built in the shape of an Airbus A380

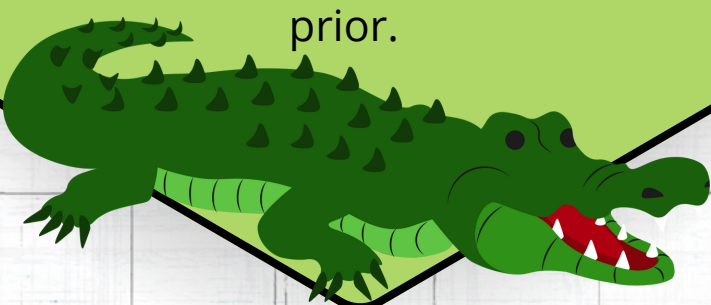

### Clock House

The Heliodome, a bioclimatic solar house in Cosswiller, eastern France, on August 4, 2011. The house is designed as a giant three-dimensional sundial, set on a fixed angle in relationship to the sun's movements

### Crocodile House

hierry Atta sweeps the courtyard of his house, built in the shape of a crocodile, in Ivory Coast's capital Abidjan, on September 11, 2008. Atta was an apprentice of the artist Moussa Kalo who designed and built the house but died two months prior.
