UNUSUAL HOMES

THE ORGANIC HOUSE.

Javier Senosiain, a Mexican architect, developed organic architecture, creating spaces adapted to humans. In 1989, he built the Organic House, a natural refuge with an incredible garden. Acueducto Morelia 26, Vista del Valle, 53296 Naucalpan de Juárez, Méx.

THE CARACOL HOUSE

Mexican architect Eduardo Ocampo designed the Pueblo Mágico in Isla Mujeres, Quintana Roo, renowned for its unique and stylish architecture, featuring enormes caracoles that resemble sea cantans. Carretera Garafon KM 5, Punta Sur Mar Turquesa, 77400 Q.R.

STONE HOUSE

The popular Casa do Penedo is lost 800 meters high in the Portuguese mountain range of Fafe, in the Braga district and perfect for an escape from Porto. Anyone who visits it immediately remembers Los Picapedra, as it is built with giant granite blocks in Portugal

FUSELAJE HOUSE

In Costa Rica, the Costa Verde Hotel, located in Costa Rica National Park, houses a 1965 Boeing 727, remodeled and renamed Casa Fuselaje, with its interior covered in country teak wood, paying tribute to the plane.
