My dream house

This is my dream house, in my dream house i have two floors, on the first floor i have the kitchen and there is the ove, the dish washer and a breakfast bar. On the first floor i have dining room and a little studio there is a desk with my iPad and a chair and a little bathroom in front.

On the second floor i have the principal bedroom there is a king sices bed a medium closet and a own bathroom, i have an other room white a queen sace bed and small closet and be side there is an other bed room, there are two little beds with an other small closet.
