My dream home

My dream house is the dreamhouse of the series "barbie life in the dreamhouse" which has several rooms with a lot of detail, it has a garage in addition to being completely pink.

There is an elegant lobby with bright floors that welcomes guests, and in the living room, there is modern furniture with chic decoration. The kitchen is equipped with modern appliances, all in a lovely shade of pink. As we go up the stairs, there is the master bedroom, adorned with great style and taste, featuring a large bed and beautiful decoration. There is also a dressing room filled with fashion and glamour, along with a music studio and a home cinema.

The bathrooms in the Barbie house are inevitably comfortable, as there is a bathtub, sink, and mirror.

Moving to the third floor, there is a recreation area with an outdoor terrace, perfect for parties and events. Going down to the first floor, there is a pool area with relaxing beds, umbrellas,

and a slide for enjoying the extensive pool and outdoor space. The house is adorned with bright colors and chic patterns, reflecting style and glamour, and it even includes an elevator.
